

So you think mind reading is boring? **THINK AGAIN!**

*Chris North's*

# MindGames

**COMEDY MIND READING CABARET SHOW**

Thank you for your excellent show. We have had many compliments from our guests saying how much they enjoyed the show, leaving them amazed and thoroughly entertained.

Isuzu Main Dealer

**You will laugh! You will be amazed!  
You will question what you see!**

Chris North's trump card is that he has original routines to offer, working well with the volunteers he picked and making sure he involved all the audience and not just the 'chosen few'.

The Stage & Television Today

**You will be laughing in one breath  
and totally astounded in the next!**

Your act captivated the audience. For weeks afterwards I had colleagues saying: "That was amazing - how did he do that?" You provided a slick professional show that resulted in a thoroughly enjoyable evening

Clacton Rotary Club

**Amazing mind games from the baffling to the seemingly impossible**

You could tell that a lot of thought had gone into this as there were real laugh out loud moments and plenty of twists and turns leaving you scratching your head in wonder and confusion. The show carried everyone along to it's amazing finale leaving everybody dumbfounded, this was an experience not to be missed!

Steve Majes - AMS

**Looking for something different? This is it!**

Just a note to congratulate you on your performance, your level of showmanship with baffling mind reading bemused and impressed the audience! This was an example of your professionalism and versatility as a first class entertainer

Philip Jeffries (Jeffries of Bacton Ltd.)

**60 minutes of unique entertainment - Suitable for all audiences and venues**
